RESUME - DETAIL

CREDENTIALS

Mari Haeflein Frith, R.I.D., AIA Allied, S.E.G.D., is Principal of Mari Frith Associates, a woman-owned interior and environmental graphic design firm in Orlando, Florida. Ms. Frith is a NCIDQ certified Interior Designer, licensed and registered in the State of Florida and held certificates of Women's Business Enterprise in the City of Orlando, Orange and Hillsborough Counties, the State of Florida, Greater Orlando Aviation Authority and the Federal CCR. With over 30 years of experience in civic, commercial, healthcare, education and government work encompassing facilities of over 3,000,000 square feet with multi-million dollar budgets, she has a diverse portfolio of award-winning projects.

Ms. Frith completed her baccalaureate education with honors, at Syracuse University in Environmental Design, including international study at University of Creative Arts (West Surrey) in England and post graduate work at University of Central Florida in Urban and Regional Planning and Public Administration. Prior to founding MFA in 1994 and incorporating in 1995, she served as Director of Interior Design for C.T.Hsu+Associates, an Orlando based international architectural firm and was an Associate with AECOM (formerly the Miami-based architecture firm of Spillis Candela & Partners). Her early training was in New York, Philadelphia and Atlantic City, later recruited by Heery (HLM Design/Orlando) to come to Florida in 1986.

With a developed expertise in the area of public-oriented design, her extra-curricular activities include service on a variety of civic and city planning groups. Ms. Frith received the honorable appointment as representative of Florida to the 2017 class of the Army War College Security Seminar. She has participated in the redevelopment and planning for the City of Winter Park, and in 2001 was appointed to the City's first Historic Advisory Board. Since 1995, she has been an advisor, past Curator and past President of the Board to the Winter Park Historical Museum and Association, and served as Vice Chair of Orlando's Public Art Advisory Board. Committed to the education of interior design and environmental graphic design profession, Mari has taught the NCIDQ course to interior design interns and is the author of two continuing education courses for interior design and environmental graphic design professionals.
